

“EXCUSE OUR DUST!”

Thank you for choosing Aransas Princess Condominium during your stay on the Texas Gulf Coast. We would like to share with you that there's currently construction related to the rebuild from damage caused by Hurricane Harvey at our property.

As a result of this construction, you can expect to experience some noise Monday to Friday from 8 am to 5 pm. If you plan to spend your days enjoying the town, beach or activities in and around Port Aransas this should have little impact on your stay. At the moment we do not have an exact completion date.

While the Aransas Princess remains a preferred choice of many families, couples and leisure travelers alike, we kindly invite you to contact us as soon as possible in case you have already made a reservation and were not aware of the construction. Our Reservations Teams will provide you with different available solutions to ensure that this circumstance beyond our control will not adversely affect your vacation and we insure that our staff will be on hand to offer any assistance throughout your stay or booking process.

Please be assured that we will continue providing the very best hospitality experience that has distinguished the Aransas Princess throughout the years to you and all our valued guest.

By telling you about the nature of this situation, we hope you accept our sincere thanks for your patience and support during this time. If you have any other concerns, do not forget that you can email us at AransasPrincess@PortAransas-Texas.com or call us at 1-361-749-5118.

We look forward in hearing from you and welcoming you at Aransas Princess Condominium.

Kind regards,
Aransas Princess Condominium Team
